

Officina Riva: management working documents

Draft dated 14 September 2026 | Amounts in EUR

Teaching case: all names, documents and amounts are fictional. These management schedules have not been verified by a professional.

1. Supplier positions at 31 August 2026

Management summarizes the following open positions. The referenced invoices, ledger extracts and contracts are not attached. Other debts and any priority rights have not been checked.

Supplier / references stated by management	Claim	Proposed payment
Alba Componenti AC-118 / AC-127	100,000	65,000
Borea Materiali BM-044 / BM-052	60,000	39,000
Cima Trasporti CT-071 / CT-079	40,000	26,000

Payment is proposed by December 2027. Management proposes a single unsecured class; classification and voting treatment require examination of the documents.

2. Management liquidation estimate

Management estimates the following realization proceeds and costs. No independent valuations, purchase offers or receivables recovery checks are attached.

2. Management liquidation estimate	EUR
Machinery	80,000
Spare-parts inventory	30,000
Trade receivable collections	20,000
Realization and procedure costs	-40,000
Estimated net proceeds	90,000

The estimated EUR 90,000 net proceeds are allocated in proportion to the three supplier claims: EUR 45,000, 27,000 and 18,000. This assumption excludes any further or preferred creditors.

3. Operating assumptions and 2027 cash timing

Draft dated 14 September 2026 | Amounts in EUR

Management expects EUR 300,000 of maintenance receipts. Operating payments: staff EUR 120,000, spare parts EUR 60,000, other costs EUR 20,000. Customer contracts and a monthly reconciliation are not attached. This schedule distributes operating receipts and payments evenly across quarters.

Movement	Q1	Q2	Q3	Q4
Opening cash	0	5,000	80,000	105,000
Operating receipts	75,000	75,000	75,000	75,000
Operating payments	50,000	50,000	50,000	50,000
New financing	0	50,000	0	0
Procedure costs	20,000	0	0	0
Supplier payments	0	0	0	130,000
Planned closing cash	5,000	80,000	105,000	0

EUR 50,000 of new financing is assumed in Q2. There is no lender commitment or agreed terms. The actual date and repayment remain undefined; the schedule includes no repayments in 2027.

4. Documents still to supply

Management has not yet supplied the attestation, a review of tax and social-security debts, complete accounts or court documents. Missing documentation does not establish zero balances for these positions. Business continuity is management's proposal and the file is not ready for filing.

Teaching case: all names, documents and amounts are fictional. These management schedules have not been verified by a professional.
